TITLE: Institutional Policy on Pain Medicine

POLICY: UVM Medical Center sponsors only ACGME accredited Pain Medicine fellowships that are multidisciplinary in nature. Faculty from these medical disciplines shall contribute to the didactic education, clinical training, and evaluation of the Pain Medicine Fellows. The primary medicine disciplines include:

- Anesthesiology
- Neurology
- Psychiatry
- Physical Medicine and Rehabilitation (PM&R)

PROCEDURE:

UVM Medical Center will have a multidisciplinary Pain Medicine Fellowship Committee that includes the following members:

- Fellowship program director (Anesthesiology);
- Faculty from Neurology, PM&R and Psychiatry; and
- Fellow representative.

This committee meets at least twice a year to review the program's resources and the attainment of stated goals and objectives. The Pain Medicine Fellowship Committee will recommend any changes necessary for program improvement, and these changes will be circulated to the program's faculty.
