TITLE: Standards for Professional Appearance

POLICY: The appearance of employees working in a health care environment impacts the perception of quality service and care for our patients and the community we serve. Care is enhanced when patients, families, visitors and staff feel a sense of trust and confidence in the care and the services being provided by staff at UVM Medical Center. The professional appearance of staff is key in promoting trust, comfort, and confidence while providing care and service in a safe environment.

PROCEDURE:

Residents/Fellows are expected to dress in a manner that conveys a sense of professionalism while working at UVM Medical Center. Residents/Fellows must adhere to the UVM Medical Center “Standards of Professional Appearance” policy. The detailed policy can be found on UVM Medical Center Intradoc.
